

Program Request - Abbreviated Template
University of Utah
BS in Communication Sciences and Disorders – ASL Teaching Major
01-13-2012

Section I: Request

This request is to deactivate the ASL Teach Major in the Department of Communication Sciences and Disorders. This is a procedural request as the major was discontinued in 2008. Since 2008 we no longer offer courses related to the ASL major and we no longer have faculty hired to teach in the major.

Section II: Need

The program suffered from low enrollment and we had a difficult time retaining ASL faculty. Therefore, the major the discontinued.

Section III: Institutional Impact

We introduced the ASL Teaching Major in 2001. This was a new offering for our department. No students are currently enrolled in the major.

Section IV: Finances

There is no downside financially to the program or institution because of the discontinuation of the major occurred in 2008.
