Program Request - Abbreviated Template
University of Utah
Department of Orthopedics
9/16/2013

Section I: Request

The Department of Orthopedics requests that the name of the Department of Orthopedics be changed to the Department of Orthopaedics. There will be minimal, if any, impact on the primary activities of the department. This request does not affect degree titles.

This proposal was submitted to and approved by the Chair of the Department of Orthopedics. Next the proposal was discussed at the department Faculty meeting and then voted on by Orthopedic faculty. After the vote process, the Department Chair submitted the proposal to the Dean of the School of Medicine where it was reviewed and approved.

Section II: Need

The need is to align the name of the Department with the name of its ACGME accredited residency and fellowship programs. The Department of Orthopedics wishes to update terminology to be more current and in line with the profession. This change will align our department's name with the American Board of Orthopaedic Surgery (ABOS), the American Academy of Orthopaedic Surgery (AAOS), and the American Orthopaedic Association (AOA). The leading academic institutions of this country use this designation.

Section III: Institutional Impact

There will be little, if any, institutional impact with changing the name of the Department of Orthopedics to the Department of Orthopaedics. The change will provide closer alignment between the Department and its professional peer and certifying organizations. There will not be any change in degree titles.

Section IV: Finances

The only anticipated costs include printing of stationary. The budgetary impact will be nominal.

UNIVERSITY OF UTAH
HEALTH SCIENCES

Vivian S. Lee, M.D., Ph.D., M.B.A.
A. Lorris Betz Senior Vice President
for Health Sciences
Dean, School of Medicine
CEO, University of Utah
Health Care

Dr. Edward M Barbanell
195 CENTRAL CAMPUS DR RM 110
SALT LAKE CITY, UT 84112

Dear Dr. Barbanell:

On June 17, 2013 at Executive Committee Meeting the following name changes about departments were discussed and approved:

- Department of Ophthalmology would like to be recognized as the Department of Ophthalmology and Visual Sciences.
- Department of Orthopedics would like to be recognized as the Department of Orthopaedics.
- The Division of Cardiology would like to be recognized as the Division of Cardiovascular Medicine. This Division is part of the Department of Internal Medicine.

The vote results were as follows:

- Department of Ophthalmology and Visual Sciences – 15 approvals/0 disapprovals/1 abstention
- Department of Orthopaedics – 15 approvals/0 disapprovals/1 abstention
- Division of Cardiovascular Medicine, Department of Internal Medicine – 16 approvals/0 disapprovals/ 0 abstentions

I am supportive of these department/division name changes.

Sincerely,

Vivian S. Lee, M.D., Ph.D., M.B.A.

CEO, University Health Care

Re: Department Name Change

Dear Dr. Lee,

I am writing to request that the formal name of my department be changed from "Department of Orthopedics" to "Department of Orthopaedics." I request this to bring the department's name in line with the correct spelling of the medical specialty.

The following websites confirm that the correct spelling is Orthopaedics.

ACGME:

<https://www.acgme.org/acgmeweb/tabid/140/ProgramandInstitutionalGuidelines/SurgicalAccreditation/OrthopaedicSurgery.aspx>

The American Board of Orthopaedic Surgery

<https://www.abos.org/>

The American Academy of Orthopaedic Surgery

<http://www.aaos.org/>

The American Orthopaedic Association (the academic society)

<http://www.aoassn.org/>

Although the change is seemingly minor, it does matter that we spell the department's name correctly. Thank you for your consideration.

Sincerely,

Charles Saltzman, M.D.

Chairman, Department of Orthopaedics

Louis S. Peery, M.D. Presidential Endowed Professor
